

LEGACY INFORMATION

About Us

Afrika Tikkun was founded in 1994 with the goal of making a difference in South Africa by developing and uplifting young people in under-privileged communities. We are passionate about developing young people together with like-minded partners, through innovative and enterprising ways, to impact the economy of South Africa.

We want to end child poverty and youth unemployment. We do this through a holistic approach that begins in early childhood and ends with productive adults accessing the economy. Our model provides for the 360° care of the nutrition, health, and social needs of the young person. It also includes personal, leadership and academic development throughout youth; skills development for out-of-school youth; and ultimately work placement.

This approach is called our Cradle-to-Career 360° model, and it has earned us recognition for being one of the most impactful organisations in South Africa.

THE FUTURE YOUR GIFT COULD MAKE A REALITY

Every gift generously left to Afrika Tikkun will make a monumental difference to the lives of vulnerable young people in South Africa:

£1,000

could fund a life changing entrepreneur development course for 10 young people empowering them to bring inspiring ideas to life.

£10,000

could fund a classroom ensuring a strong educational foundation to be built for 35 young people.

£100,000

could fund the Child and Youth Development programme including educational support, sport, music, art, emotional support and food amongst others for an entire year for 500 young people.

LEAVING A GIFT TO AFRIKA TIKKUN

Making a will is an important way of looking after the future of your family and friends. After you've taken care of loved ones, you may wish to leave a gift in your will to Afrika Tikkun.

We recommend that you contact the solicitor you have previously used to make your will or find a solicitor through **Remember a charity** <https://www.rememberacharity.org.uk/making-a-will/find-a-solicitor/>

Leaving part of your estate to charity can reduce, and occasionally, eliminate Inheritance Tax liability. If you leave a gift to Afrika Tikkun in your will, then it won't count towards the total taxable value of your estate. This is called leaving a 'charitable legacy'. You can also cut the Inheritance Tax rate on the rest of your estate from 40% to 36%, if you leave at least 10% of your 'net estate' to a charity. To learn more about reducing your Inheritance Tax bill please visit Gifts and Exemptions from Inheritance Tax.

Updating your will to include Afrika Tikkun does not need to be an onerous task - a codicil (attached) or letter of wishes (attached) can be a simple addition to an existing will.
